*Connecting our community*

When you consider that only 10% of the world's forests are certified, we have a long way to go. The good news is that there are a number of credible forest certification programs. And each one, including SFI, encourages responsible forestry. When you buy or source SFI-labeled paper, packaging or wood products, you increase demand for responsibly managed forests. So look for the SFI label, and source wisely. For more on forest certification and what you can do, visit [www.sfiprogram.org](http://www.sfiprogram.org).

## Thank You!

Thank you for purchasing the My Local Deals coupon book. The non-profit organization that sold you this book is one of the many groups in your area that will benefit. Every year over \$100,000 is raised through the sales of the books in each of the areas we serve, and best of all, that money stays right here in ***your*** community.

Keep in mind, this could not be possible without the support of the businesses that are found within this book. So please show your appreciation the next time you are shopping for goods or services in the community. Support the businesses that have helped make this book possible.

### Area Businesses

If you are interested in the benefits of the exposure this book would offer your business, call one of our advertising representatives.

### Non-Profit Organizations

If your organization is interested in a fantastic fundraiser that has a profit 2nd to none with minimal man hours, call one of our fundraising specialists.

### Smart Shopper

If you have used your favorite coupon and would like to purchase another book or if you know of a friend, family member, or colleague who would benefit from the purchase of this book, contact either the group you purchased the book from or contact My Local Deals directly. We will forward the proceeds to the appropriate organization.
